Hipkin Is VERY Lazy!

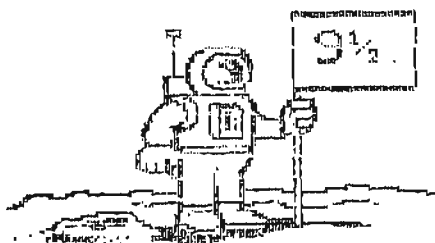

Robert Hipkin is SOOOOO lazy that he has to "fish" the ball out of the hole! The poor guy can't even bend over to take out the ball manually!!! I think it's because he's afraid he'll trip on his beard! Here's a picture of him:

ave Russ is having a problem! He's lost his ball!

and now he can't finish out the course. Dave! No Dave! It's over beside that tree! Dave already has a 3 digit score, so what's one more stroke???

Russ Golf Tournament Moves to the Moon!

The RGT (Russ Golf Tournament) has a new location for next year's get-to-gether. Dave Russ (shown above) added the final touches by placing the flags in the proper holes. Unlike other golf courses found on earth, the Russ Golf Tournament Lunar Course includes holes 9 1/2 and also 13. Such luxuries available at the course are "brown pop" rest stops at the end of EVERY hole, and a Clubhouse where "Happy Hour" is on ALL the time!

Dave's Ball is Out in the Trees!!!

ave Russ has finally located his ball!!!! It's out in the trees. Dave better make sure his tree climbing skills are in good order, otherwise he's going to lose this game.

Dave lost his ball after accidentally hitting Tim Philp in the stomach, and the ball bounced off and hasn't been found until now. Congrats, Dave!

Provisions Made for Tim Philp at the New RGTLC

Specially designed golf carts have been provided at the new RGTLC, ones that will stay on the course (without floating away) and some specially designed ones with tandem wheels. These "heavy-duty" vehicles have been provided as a service to Tim Philp. You're welcome, Tim!
